Camp/ Player Participation Rationale:

Players will learn various practice drills from the coaches at camp they can do at home over the summer. The best players are the ones who enjoy soccer and practice & play with their friends at home or the park.

Program Overview:

Any players, 5-years old and up who enjoy soccer and are excited about learning how to become a better player are welcomed to attend. The Junior Northstars Soccer Development Camp features instruction for young **boys & Girls** beginning their soccer careers to those at a more advanced level of play. This Camp will concentrate on preparing players for a successful transition from recreational soccer into a more advanced competitive soccer experience. Upon successful completion of this 4-Day camp players will be better equipped for competitive play in the Northstars Soccer Club. The Northstars Soccer Club is recognized as the elite soccer club whose players go on to succeed in the Cicero-North Syracuse High School soccer program.

Coaching Philosophy:

The Junior Northstars Soccer Development Camp provides the ultimate training experience for today's up and coming soccer players. The Boy's soccer program at Cicero-North Syracuse High School has a vested interest in the development of young players in its district. It is our goal to identify & develop young soccer players within the Cicero-North Syracuse School District. Players will be grouped by age and ability level to maximize player development. The Junior Northstars Soccer Development Camp will utilize its qualified coaching staff to teach players necessary basic skills needed for the game of soccer. It is our goal to maximize our young athletes' learning of essential techniques and tactics through fun and efficient practice sessions.

Program/Club Goals & Objectives:

- ☆ Provide serious young soccer players with developmental tools in a highly structured environment.
- ☆ Teach & develop advanced soccer techniques
- ☆ Build friendships & team chemistry from a young age
