5th Annual Northstars Cup 7 v. 7 Tournament

Coach/ Team Manager/ Club Representative:

The Northstars Soccer Club is happy to announce the 5th annual **Northstars Cup 7 v. 7 Tournament** at the Roxboro Road Middle School Soccer Complex on Saturday, June 12th – 13th, 2010. Last year's tournament was a tremendous success, featuring 80 competitive teams. A majority of teams from Central New York, and a few from Buffalo & Albany. I would personally like to invite your club to compete in our 5th annual 7 v. 7 outdoor soccer tournament. As the league contact person on the Coaches Directory for your team I would appreciate it if you could distribute the Tournament Flyer to your organizations board members, coaches, & team managers.

The tournament will be even better this year with your clubs participation. Applications will be accepted until June 1st, 2010. We hope your teams join us this summer to enjoy great competition in a team-friendly environment. All tournament champion team players will receive official mini juggling soccer balls with the Northstars Cup Champion logo printed on it presented by our main tournament sponsor ASPEN Athletic Club.

Advantages of our tournament are that it is local, all at one centralized location, & its user friendly scheduling. Game schedules are formatted so teams play a game, and then get a 30-minute rest time before their next game. This allows the tournaments (8) 70yds x 50 yds. small-sided fields to run on time, while teams receive a great tournament experience in a 5-hour time frame. New this year U-9 – U-12 Boys & Girls Divisions will be held on Saturday, June 12th, 2010. And U-13 – HS Varsity Boys & Girls will be held on Sunday, June 13th, 2010.

Younger teams U-9,10,11,12 will play on Saturday morning and finish by 2pm. Older teams U-13,14,15,16,17 age brackets will play on Sunday morning/ afternoon and finish by 4pm. Our scheduler will bracket teams according to their level of play in order to provide the most exciting & competitive tournament experience possible. All Club, Travel, & Premier teams are welcome and will be grouped accordingly.

On behalf of the Northstars Soccer Club, we wish your team success in the upcoming outdoor soccer season and look forward to hosting your team the weekend of June 12-13th, 2010.
